Dear Monterey Regional Waste Management District,

On behalf of Gateway Center of Monterey County, we want to thank you for your generous grant of \$4,408.80. Your grant makes it possible for us to provide support services to adults with intellectual and developmental disabilities by continually understanding the changing needs of our community and tailoring our services to support our members.

Since Gateway's inception in 1954, we have been able to expose our members to art, field trips, medical support and much more. This is possible because of thoughtful contributions from people like you.

We are eternally grateful for your supporting and appreciate your commitment to Gateway Center of Monterey County. We look forward to keeping you updated on how your gift is directly assisting and providing essential resources to over sixty consumers.

Our sincerest thank you for improving our ability to provide expert services to developmentally disabled adults.

Sincerely,

Robert Freiri
Executive Director
